

Information for Schools: Roadshow Events

- The group must be supervised by school staff at all times. Pupil behaviour and discipline remains the responsibility of the school staff in charge of the group.
- Please be aware that not all presenters have been DBS checked.
- If for any reason you can no longer host the event, or the numbers in your group change significantly, please contact the presenter beforehand so that alternative arrangements can be made. Some sessions are only viable with minimum numbers. Presenters will contact you in due course to finalise details around your roadshow event.
- If you need to contact us on the day of the event please ring 07505403499.
- We appreciate your feedback on our events and usually ask for an evaluation questionnaire to be completed by teachers. If you have any other comments on the event, or suggestions for other activities you would like us to provide, please do not hesitate to contact us at festivalofscience@leeds.ac.uk.

We look forward to seeing you during the festival.

Contact information

For enquiries prior to the event please email festivalofscience@leeds.ac.uk

To contact us on the day of the event please phone 07505 403 499
